E. C. WINES DRUG STORE # COR. MAIN & FIRST

February 1st marks the close of the first years business for THE HUSTLING CASH STORE in Richmond, Ky. Our business has indeed been a very satisfactory one and we take this method to express to the public our sincere thanks for their patronage. We have endeavored to give our customers the highest quality of goods at the

Very Lowest Prices

Always selecting the newest and best things that we might feel sure they would give satisfaction. We do not expect to depart from this during 1904. And as the greater part of our goods for the coming season are already bought, we exercised the same caution in selecting them and assure you that you can find better values for the same money here than elsewhere,

These Spring Goods are Arriving Daily

and we need the room and must have it, and in order to make room we have decided that during the month of February we will sell anything in winter weight goods in our house

AT COST

When we say cost we mean wholesale price

Our goods are entirely new, the very latest things that could be bought in winter stuffs, and are bought at prices possibly lower than we can replace them for next fall. But we do not believe in allowing goods to accumulate from season to season, becoming old shelfworn and out of date, but prefer to sell them at a sacrifice now that we may again offer you the newest things better the season of the season
